## Stay Warm With Manpower's

## Mitten Tree!

Please stop by our Ann Arbor office (lower level) or our Monroe office and help yourself to an item from our Mitten Tree!

Each tree is full of winter wear (hats, scarves, gloves, mittens) for all ages. If you do not see an item for which you are in need, please see a Manpower staff member; we would be happy to provide you with an alternative solution!

We hope to continue to stock the Mitten Trees through February.

Warm Winter Wishes from the Staff at Manpower!
