### MANPOWER, INC. OF SE MICHIGAN RECERTIFIED BY THE JOINT COMMISSION

Ann Arbor, MI, 2/25/2015 – Manpower, Inc. of SE Michigan has been recertified with the Gold Seal of Approval® for health care staffing services by The Joint Commission. On February 3, 2015, Manpower, Inc. of SE Michigan underwent its first onsite audit of its compliance with national standards that assess how staffing firms determine the qualifications and competency of their staff, how they place their staff, and how they monitor staff's performance. As a result, Manpower, Inc. of SE Michigan successfully passed this audit with no findings or deficiencies.

"Health care organizations that contract with Manpower, Inc. of SE Michigan can look to Joint Commission certification as an assurance that Manpower, Inc. of SE Michigan demonstrates a commitment to providing and continuously improving quality services," says Michele Sacco, M.S., executive director, Health Care Staffing Services Certification, The Joint Commission.

The Joint Commission's certification program, launched in October 2004, offers an independent, comprehensive evaluation of a staffing firm's abilities to provide competent staffing services. Manpower, Inc. of SE Michigan initially achieved Joint Commission certification in February 2013. "This certification of our commitment to providing quality services means that our clients can rely on a staffing standard that integrates with their own systems for health care delivery and our employees can count on the training and support necessary to succeed in their health care assignments," says Susan Carlson, franchise president and owner. "We are proud to be recertified with The Joint Commission's Gold Seal of Approval®."

Founded in 1951, The Joint Commission seeks to continuously improve health care for the public, in collaboration with other stakeholders, by evaluating health care organizations and inspiring them to excel in providing safe and effective care of the highest quality and value. The Joint Commission evaluates and accredits more than 20,000 health care organizations and programs in the United States, including more than 10,600 hospitals and home care organizations, and more than 6,600 other health care organizations that provide long term care, behavioral health care, laboratory, and ambulatory care services. The Joint Commission also certifies more than 2,400 disease-specific care programs such as stroke, heart failure, joint replacement, and stroke rehabilitation, and 400 health care staffing services. An independent, not-for-profit organization, The Joint Commission is the nation's oldest and largest standards-setting and accrediting body in health care.
